KID'S COURSE PROGRAM

This course is focusing on the general English Skills of Reading, Writing, Speaking and Listening topics. The course include vocabulary and Expressions related to sports and outdoor activities, clothings, part of the body, family members, school and classroom language and so on. Students will be equipped with practical English expressions,vocabulary, verb patterns and structures that are useful in academic and social situations.

GEOS Summer Program offers students the chance to learn and have fun at the same time. We provide English Programs for kids of all ages and abilities. The programs also include fun activities such as arts and crafts as well as field trips to Bangkok attractions like Science Museum or the Aquarium.Our teachers are qualifiednative-English speakers

ADULT CLASS

The course is a highly personalized part-time English conversation course for social or business purposes. The classes are kept deliberately small so that our teachers can focus on the learning needs of our students. There a maximum of students per class.

BUSINESS CLASS

This course combines specialized classes in International Business English communication skills and concepts with general English language skills. English skills and vocabulary are developed through exercises, case studies, role plays and research on business topics including: I.T., finance,accounting, marketing, advertising, sales,negotiation, business practices

STUDY ABROAD

GEOS offers Study Abroad Programs in Singapore, Taiwan, Japan, Korea, USA, UK, Canada, Australia and New Zealand to learners who wish to get a new experience overseas. Our free service is to help students to prepare their oversea lesson. All fee is inclusive in one package.
